## Vision Doeve Brokers

Former cargo ship that has been converted into a cruising Live Aboard. With the low air draft, she has a wide sailing area, including the French Canal du Nivernais. Two solar panels and an inverter provide autonomy and comfort. The electrical system was replaced for a big part in 2014. The layout from the front to the back is as follows: 2x single bed in V-shape, on portside a toilet room, on starboard side a bathroom with shower, salon / galley and the wheelhouse with adjoining terrace with a fixed roof.
