Antaris Connery 25 Tendersloep Exclusive

Dimensions (m)	7.60 x 2.80 x 0.80	Ref. no.	181002
Mooring	Near Leiden, Netherlands	Year	2016
		Material	GRP

Vision Doeve Brokers

High-quality, sturdy, fast-sailing motor sloop / tender with transom stern, integral swimming platform and a steering position in the self-draining cockpit. This Connery 25 is equipped with an extensive accessory set, worth almost 50.000 euros, including a 110 Hp Yanmar engine, so the top speed is about 35 km/hour. The entire cockpit can be closed completely with an extended cockpit cover, which makes sleeping on board possible. The cockpit cover is foldable in parts, the sides of the cover can be removed and there is a separate bimini. This makes the roof very versatile, so that there is an ideal solution for all circumstances. It is possible to be on board with a maximum of 12 people. The current price is significantly lower than the new price. In our view a very complete boat for an interesting price. Highly recommended.
