Vision Doeve Brokers

Very well maintained motor yacht with aft cabin and outside steering position. Built by the well-known Linssen Shipyard which stands for quality and reliability. The interior has 2 spacious cabins with a French bed in the front cabin. There are 2 bathrooms, the bathroom in the aft is en-suite. The salon is very neat and with a good view to the outside. For the protection of the ship there are numerous protective covers for various parts of the ship available, such as the steering wheel, the windows, steering seat, the steering position and more. There is a large winter tent to protect the ship in the winter. Excellent for sailing on, among other things, the French rivers and canals.
