Vision Doeve Brokers

Canal boat of the "Amsterdam" type. An upper deck has been created (with hydraulic foldable railing) and therefore she has become a Multi-purpose Passenger Ship. Equipped with a spacious bar, toilet, a lot of inside and outside seating area and a wheelhouse with side doors as well as an aft deck with a bench and a wheelchair elevator from the aft deck to the salon, making her suitable to use instantly. The vessel has been painted nicely and is available immediately. With 2 engines and the bow thruster, she is very easy to maneuver even in small waters.
