## Tayana 42 PH Trawler

Mooring	Near Rotterdam, Netherlands	Year	1978
		Material	GRP

### Vision Doeve Brokers

A sturdy and well-built Trawler yacht with a spacious salon with spacious seating area. From the salon there is a staircase to the lower deck as well as to the wheelhouse with in there a settee, the steering position and side doors. In the wheelhouse is also a staircase to the lower deck where the galley, bathroom, guest cabin and owner's cabin with en-suite toilet area are located. The 2 engines function satisfactorily and due to the present whisper generator, this yacht is fully self-supporting. Above the salon there is a spacious sundeck that can be reached from both port and starboard site as well as from the aft deck. There is some overdue maintenance that we have already taken into account in the, in our eyes, competitive asking price.
