Vision Doeve Brokers

Former inland cargo vessel that has been converted into a Cruising Live Aboard Barge. The spacious wheelhouse with inside steering position gives a good view to the outside. The generous aft deck has a spacious round seat with fixed canopy. The attached walls of the canopy with large windows can easily be rolled up in parts. The layout from front to back is as follows: spacious owner's cabin, bathroom with shower cabin, guest/study cabin, galley, salon, toilet, wheelhouse. The interior is simply constructed and needs some attention on a few places. The deck needs a paint job. This has already been considered in the asking price. The ship has been equipped with many features making it possible to stay on board for a long period.
