Vision Doeve Brokers

Shortened Freycinet that has been converted into a Sailing Live Aboard. There is a lot of headroom in the old hold and together with the width it gives a very spacious effect. Outside is a large terrace where you can relax. The ship has a mooring in a quiet place that can be taken over in consultation with the municipality on the condition that the new owner is going to live on board. The layout from front to back is as follows: forepeak with spacious workshop, entrance to the living/old hold with on PS a toilet room with sink, on SB a desk, further back there is the salon with open kitchen, on SB a cabin with 2-persons bed, on BB a second work space, stairs to the wheelhouse with in there the steering position with sitting area, stairs to the aft with in there a double bed and a bathroom and also a sitting area. A ship very suitable to live on.
