### Vision Doeve Brokers

Custom-built motor yacht with flared bow and aft cabin. The salon has large windows all around so that a lot of light can enter but also offers a good view outside. Between the salon and the front cabin there are the galley and the bathroom with shower and toilet. In the front cabin there are two single beds in a V-shape. The aft cabin is equipped with 1x 1-persons bed and 1x a 2-persons bed and a private toilet. Two diesel engines provide propulsion and make maneuvering very easy. During the construction of the ship, the layout has been carefully thought out. A clear choice has been made for living space, a spacious aft cabin and a spacious aft deck to sit outside. The ship is neatly maintained on the inside, but requires extra attention on the outside. If you want to spend your holiday on board of a spacious motor yacht that is equipped with many comforts, then this is the right ship for you.
