Electrical Sloop 6.10 (Freya)

€ 29.950,--

VAT has been paid

Dimensions (m)	6.10 x 2.10 x 0.35	Ref. no.	240101
Mooring	Near Rotterdam, Netherlands	Year	2023
		Material	steel

Vision Doeve Brokers

Steel sloop from the Machinist brand with a length of 6.10 meters. This sloop was basically built for rental but she is in private hands now. She has been well maintained and is in very good condition. The 3 kW electric propulsion is good for sailing for approximately 10 hours at a speed of 6 km per hour. The sloop has a CE certification 'C' and can accommodate up to 7 people. The yacht builder has made a special tiller. They used a part of an old steering wheel for this. A folding teak table is attached to the center console. If you are looking for a well-maintained steel electric sloop, then you have found what you are looking for.

General information

Yard:	Inshore Creative, NL-Rotterdam
Hull shape:	flatbottom
Hull material:	steel 3 mm
Deck material:	Djinda Udu in cockpit
Steering system:	tiller
	balance rudder
