Vision Doeve Brokers

This is an extended Rijokruiser in which a lot has been invested in the past, resulting in a spacious boat that is very suitable for long journeys or possibly to use as a home on the water. The extension has created a very spacious aft deck that invites you to relax there with friends. Below the aft deck is the (equally spacious) owner's cabin, which is equipped with a French bed. The salon has large windows so that it is very light in there with a good view outside. This motor yacht is an excellent cruising Live Aboard and is equipped with, among other things, modern central heating, generator and electric cooking. Due to circumstances, maintenance has not been carried out properly recently, but the work is manageable.
