Vision Doeve Brokers

Former inland cargo ship, type Spits Freycinet, which has been completely rebuild by the current owner into a comfortable sailing Live Aboard barge annex small-scale charter ship annex B&B. There are currently 2 double guest cabins, each with their own bathroom and there is 1 single cabin with its own toilet. The owner's cabin is located in the aft cabin with the bathroom in the old hold. Under the terrace there is an extra cabin which is now in use as a hobby room but can also be furnished as an extra guest cabin. The maneuverability is good thanks to a powerful 360 degree rotating bow thruster and the Daimler Benz main engine. In 2013, the old hold was completely renovated. In 2016 the same was done in the aft cabin. An ideal barge to have a small company with and to live on board.
