Vision Doeve Brokers

Built in 1998 by the renowned Shipyard P.H. Tinnemans in NL-Maasbracht, this well-maintained and versatile day passenger ship, with a capacity of 150 passengers, is ready for operation on the inland waterways. The Scania engine provides an efficient propulsion, it gives a top speed of approximately 17 km/hours on still water. The presence of a 400 Volt electric bow thruster ensures excellent maneuverability for this party ship. The interior is in excellent condition and features a professional kitchen and bar, equipped with, among other things, a combi-steamer, dishwasher and various cooling units. The spacious salon, complete with entertainment facilities such as a projector, DJ set and sound system, guarantees an enjoyable experience on board. Additionally, the sanitary facilities are well-equipped, with separate men's and women's restrooms. Thanks to the spacious layout and sun deck, this ship is ideal for various purposes, including sightseeing cruises, parties, business events and tourist excursions.
